Subject: Sewage and Wastewater Advisory Committee

Background

Nevada Revised Statute 244A.497 requires one member to be appointed by the governing body of a water district in the county having within its boundaries a population of 5000 or more to the Sewage and Wastewater Advisory Committee (SWAC) who is advisory to the Clark County Board of County Commissioners on wastewater management.

The District appointed the General Manager to this committee at the January 12, 2006 Board of Directors Meeting.

Staff recommends adding the Assistant General Manager as the Alternate Appointee to this committee.

Suggested Motion

Move to appoint the General Manager and Assistant General Manager to represent the Moapa Valley Water District on the Sewage and Wastewater Advisory Committee.
