# Owner Authorization for Renter Service

Owner Name: \_\_\_\_\_ Date: \_\_\_\_\_  
Renter Name: \_\_\_\_\_ APN: \_\_\_\_\_  
Service Address: \_\_\_\_\_ Overton Logandale Moapa

I give Moapa Valley Water District my permission to place the water service in my renter's name.

I understand that by allowing this account to be placed in the renter's name, District policy requires that if the renter leaves a balance owing it will become the owner's responsibility to pay the entire balance due before service will be restored.

I understand in order to return service to my name the renter will need to contact the District or be in default of payment.
