 Subject: Purchase of Water Works Repair Parts

Background:

The District experienced 2 leaks on the 24" Ductile Iron Transmission main, 1 on March 18th and the other just 3 hours after crews finished repairs of the first leak. These repairs have depleted the District's repair parts held in inventory for such emergencies.

Staff solicited 3 bids for 24 inch repair parts.

Mountainland Supply Company	\$37,885.24
Ferguson Waterworks	\$52,984.93
Dana Kepner Company	\$37,985.09

Considering the lead time to receive the 24 inch repair parts, Staff placed the order with Mountainland Supply in the amount of \$37,885.24

Suggested Motion:

Move to ratify the purchase of 24 inch repair parts from Mountainland Supply in the amount of \$37,885.24
