 Date: February 4, 2022  
 Subject: Main Street Waterworks Supplies

### **Background**

The District received funding from the Clark County Board of Commissioners through the American Rescue Plan Act (ARPA). This funding was granted in support of replacing the under sized water mains in Downtown Overton.

Staff solicited sealed bids from the material to construct this project. On February 4, Staff received two bids for materials. The results are as follows:

Ferguson Waterworks, Henderson, NV	\$72,942.56
Mountain Land Supply, St. George, UT	\$77,175.74

Staff has reviewed the bids and has determined that Ferguson Waterworks is the lowest responsible bidder and would recommend that the waterworks be purchased from Ferguson.

### **Suggested Motion:**

Move to accept the bid and award a purchase of waterworks materials from Ferguson Waterworks, Henderson, NV in the amount of \$72,942.56 for the Main Street water line replacement
