Subject: Purchase of Water Work Supplies

Background:

Since the last Board of Directors meeting, Staff has made a purchase for water work supplies that are requiring considerable lead time to receive.

This purchase was for 8" C-900 PVC Pipe for current and upcoming projects such as the Overton Airport roadway re-alignment and smaller line extensions paid for by customers and MVWD Inventory.

Suggested Motion:

Move to ratify the purchase of water works supplies from Ferguson Waterworks in the amount of \$45,980.00
