MVWD Financial Dashboard

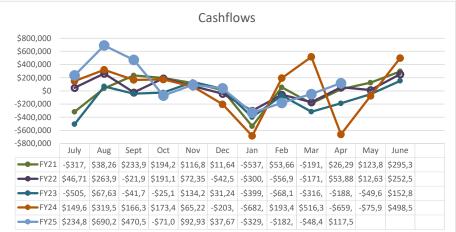

Net Income from Operations - This graph does not include any non-operating income or non-operating expense. The information on this report is taken from our budget report for a specific month and consists of revenue from water sales, connection fees, & 340A project, less the operating expenses such as; Salaries & Wages, Employee Benefits, & Operations/Maintenance, etc. Reviewing this data gives you a historic view of how the Net Income from operations differs from prior years. (Are operating revinues enough to cover operating expenses?)

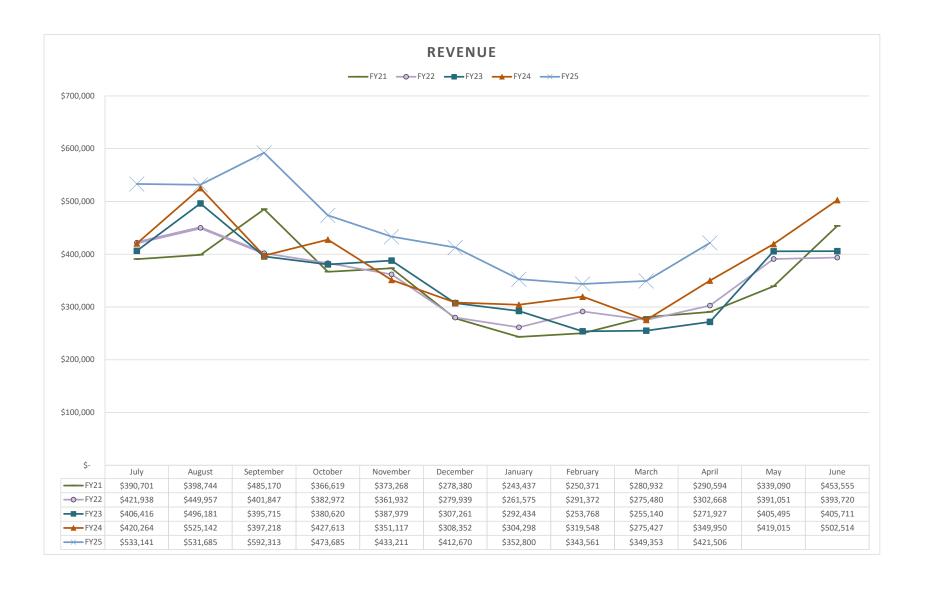

This information is taken directly from the budget which is provided in the board packet every month.

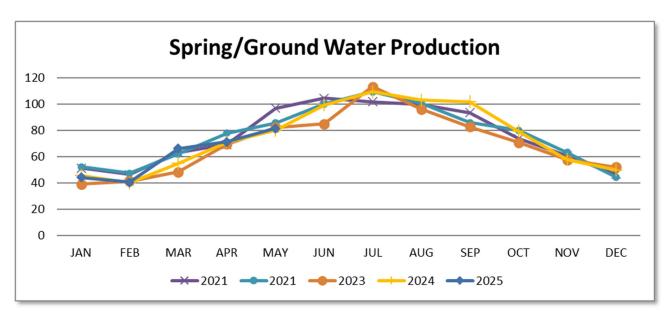

This graph represents the internal tracking for the separate bank account balances at the end of a given period. Currently the only account being "funded" is the AB198 account that is being funded at \$44,000 per AB198 requirements.

This graph represents the net increase/decrease on the Statement of Cash Flows in a given month. Statement of Cash Flows provides data regarding all cash inflows and outflows for the District.
