To Chairman Kelby Robison & MVWD Board of Directors
From Joseph Davis, General Manager
Date: June 29, 2026
Subject Capital Improvement Grant Application

Background:

During last month's Board of Directors meeting, staff discussed the State of Nevada's CAP Grant match requirements for the replacement of the Districts Supervisory Control and Data Acquisition (SCADA)

The Districts current SCADA system was installed in 2003 and has reached its end of life. Both the hardware and software support ends in 2027.

This would be the Districts second year of participating in the program.

The estimated cost to replace is \$1,267,300 staff anticipates receiving \$532,266 in grant monies with the remaining \$735,034 covered with a low interest 20 year loan.

Suggested Motion

Move to direct staff to apply for the State of Nevada Capital Improvement Grant program for the replacement of the Supervisory Control and Data Acquisition system.
